Bring an expert on board

Find out how you can access thousands of dollars in rewards.

At Corporate Traveller, we understand referrals are a wonderful way to grow our business. They're a tremendous endorsement and we're committed to providing clients with industry leading customer service. We believe the happier our clients are, the more likely they'll share referrals with us.

It's also why we're happy to reward people who refer potential clients to us. In fact, there are two ways you can receive great rewards worth thousands of dollars, just by spreading the word.

Refer us and win

Simply send us the details of a family member, friend or business associate whose company would benefit from the services offered by Corporate Traveller. Every referral you make gets you an entry into our half-yearly prize draw to win a \$1,000 travel spending spree. Email the contact details, along with your local travel manager's name, to refer@corporatetraveller.co.nz

Refer us and be rewarded

If the referral you've passed on ends up becoming a client of Corporate Traveller, we'll reward you with a travel voucher based on the size of the new client. When the company has traded with us for three months, we'll calculate their annual travel spend and you will receive:

Annual travel spend

\$50,000 - \$200,000
\$201,000 - \$500,000
\$501,000 or more

Referral bonus

\$200* travel voucher
